

Cranmer Country Cottages Environmental & Social Responsibility Policy

At Cranmer Country cottages we are committed to leading the industry in minimising the impact of our business activities on the environment.

We are undertaking the following actions in order to achieve this:

- ❖ We comply with the requirements of environmental legislation and approved codes of practice.
- ❖ We continuously seek to improve our environmental and social performance.
- ❖ We reduce the use of energy, water and other resources.
- ❖ We raise awareness; encourage participation and train employees in sustainable business practices.
- ❖ We expect similar environmental standards from suppliers and contractors.
- ❖ We assist customers to use products and services in an environmentally sensitive way.
- ❖ We liaise with the local community.
- ❖ We have minimised our risks associated with social and environmental issues.
- ❖ We have joined the green tourism business Scheme as an indicator of our sustainable practices.

We would like to ask you to help us - the green section in your Cranmer information guide has suggestions on what you can do to be a greener visitor.
